What Motivates Your Team?

Part 1: Favorite Employee

Think about one of your favorite employees and answer the following questions about that employee.

What motivates them?

How have you engaged with them the last 60 days?

How do you recognize their contributions?

How do you bring out their best?

Part 2: Problematic Employee

Now think about one of your problematic employees and answer the following questions about that employee.

What motivates them?

How have you engaged with them the last 60 days?

How do you recognize their contributions?

How do you bring out their best?
